TO: J. Robert Arnold,
City Attorney

SUBJECT:

Please prepare an appropriation ordinance, to be submitted to the City Council on October 22, 1968, which would appropriate \$6,010.00 from the unappropriated balance of the General Fund, to special Account No. 60, to be known as the Crime Control Fund.

This transfer is necessary in order to appropriate the city's share of money required to carry out a program under the Safe Streets Act of 1968 under which the federal government participates to the extent of 75% of the total cost.

The \$6,010.00 appropriated by the city will carry the program for one year. The federal government's share will be paid to the city in monthly payments.

STATE OF INDIANA

INDIANAPOLIS, 46204

STATE BOARD OF ACCOUNTS

912 State Office Building

October 18, 1968

TO: Local Governmental Agencies

FROM: State Board of Accounts

SUBJECT: Omnibus Crime Control and Safe Streets Act of 1968,
(Public Law 90-351)

This bulletin is issued in the interest of assisting local governmental agencies in handling and accounting for Federal and local funds under the above subject law.

Applications to participate in this program shall be submitted to the Indiana State Criminal Justice Planning Agency, Room 206, State House, Indianapolis, Indiana 46204. Any inquiries concerning participation in the program and requests for applications should be directed to that agency.

Under the program the participating local governmental agency must provide from non-federal sources an amount equal to 25% of the total cost of the program. The Federal share of the total program, therefore, shall not exceed 75%. In some instances the percentages of local and Federal shares may vary, depending upon the terms of the grant, but this will not affect the instructions set out herein.

The required contributions from non-federal sources may consist of cash, appropriated funds or goods, services or facilities (contributions in-kind) or any combination thereof. The contribution of the local governmental agency must be directly connected with the program for allowable credit.

In keeping with the Federal requirements under Public Law 90-351, the following instructions should be observed in requesting advances of funds by the Federal Government and in handling and accounting for all funds under the program.

1. Applications for advances of funds, after approval of the application, shall be submitted to the Indiana State Criminal Justice Planning Agency on forms provided by that agency. The grant will be advanced on a monthly basis subject to filing quarterly estimates by September 20 (for quarter beginning October 1 and ending December 31) and on December 18, March 20 and June 20 for each succeeding quarter.

2. The fiscal officer of the local governmental agency shall establish a separate fund to be entitled "Crime Control Fund." All Federal grants shall be receipted to this fund.
3. After appropriation of the local share from the General Fund of the local governmental agency, which appropriation shall be made in the manner provided for by law, the participating share of local funds shall be transferred to the Crime Control Fund. A single appropriation under "Services Contractual" for "Omnibus Crime Control" will be sufficient.
4. A fund ledger sheet shall be set up in the records of the fiscal officer to serve as his control over the Crime Control Fund and this fund shall be supported by as many subledger sheets as necessary to supply the information required by the Federal agency. In other words, if a project budget is established designating the amount which may be expended for each purpose or budget item, a subledger sheet shall be set up for each budget classification. No appropriations will be required for expenditures from the Crime Control Fund; the only appropriation needed is for funds to be advanced from the local participating unit.
5. If services or goods in-kind (non-cash local contributions) are furnished, a memorandum record should also be set up and carried in the ledger following the fund section to record such contributions. This will be required to substantiate the local participating agency's contributions to the program.
6. All purchases shall be made in accordance with the Public Purchases Law, Burns' 53-501 et seq. This means that any item costing over \$2,000 shall be purchased only after advertising, receiving bids and awarding a contract under that law.
7. Claims shall be filed, approved and allowed in the same manner as other claims before payment.
8. Quarterly and annual reports shall be made in accordance with the Federal regulations.

All records will be audited by the State Board of Accounts in conjunction with the regular audit of the local governmental agency. No other audit is authorized or required, except that an audit might also be made by a Federal agency.

Page Three

We have reviewed the foregoing with David J. Allen, Assistant to the Governor and Interim Administrator of the Criminal Justice Planning Agency, and he is in agreement with the instructions set out herein.

If any question arises concerning these instructions insofar as they apply to the applications and grants of funds they should be directed to the Indiana State Criminal Justice Planning Agency. Any question concerning the accounting records should be directed to the State Board of Accounts, 912 State Office Building, Indianapolis, Indiana 46204.
